MEMORANDUM FOR: Director of Logistics

ATTENTION : Chief, Real Estate & Construction Division

SUBJECT : Replacement of Obsolete Water Cooled Condensers,
[REDACTED]

25X1A6b

25X1A6b

1. The [REDACTED] FY 75 budget has an approved line item for the replacement of obsolete water cooled condensers at [REDACTED]. The total amount of FY 1975 funds available for this project is \$36,000.

25X1A6b

2. It is proposed that the scope of work for the project shall include the design and replacement of water cooled condensers with air cooled condensers at [REDACTED]. These systems currently serve the vault in [REDACTED] and the Printing Services spaces in [REDACTED].

25X1A6b

25X1A6b

25X1A

3. It is requested that a Delegation of Authority be issued to us for the execution of a design contract for the above mentioned improvements. It is certified that FY 1975 funds in the amount of \$36,000 are available for the required design, site investigation, and construction.

25X1A9a, D

1. to 3.

We need to go A&E on this? Should be simple. Supplier may even supply design & installation on basis of basis procurement ~~proposal~~ RFP to provide replacement condensers. What think?
